

Victory Athletics Update!

Victory Athletics is expanding to serve the Central, North, South, East & West areas of Oklahoma City. This will include three (3) beautiful facilities before the end of 2010, with two additional locations in the planning stages for the future!

Victory has secured a new 25,000 sq.ft. facility, **Victory Athletics South**, soon to be opened in Norman, Ok. This facility will provide the much needed space to accommodate gymnastics, Victory Academy, birthday parties, Tae Kwon Do & Saturday Open Gym. This location will also provide the space needed to host "Capital Cup" gymnastic Meets!

Victory Athletics Central (I-35 @ 84th) will begin construction in the Fall 2010. This facility will be approximately 12,000 sq.ft. and will also serve as the administrative headquarters for The Hope Foundation for Aspiring Youth/Victory Athletics.

Victory Athletics North (I-235) will also begin construction in the Fall 2010. This location is near the proposed new Thunder training facility and will be approximately 25,000 sq.ft., serving downtown Oklahoma City, Edmond and surrounding areas.

A big "thank you" to the families who continue to make Victory Athletics your choice, and for believing in us and supporting us. We enjoy coaching your kids and seeing them grow to achieve in sports and in life! We have a great team with great opportunities!

You can find information updates and current events on our website, www.victorygymnastics.com or on Facebook "Victory Athletics group."
