

# Welcome Back!

Dear Rising Star Gymnastics families,

We are very excited to get this new year started. We have added some new equipment and added A LOT more space too! We are still working on the best way to add more viewing space and to create an orderly traffic flow for the start times and end times for our classes. So hopefully you will see improvements in those areas too.

We are proud of our program and hope that each of you enjoys your time here. We are an owner-operated family business. (In fact, Bianca is now 10yrs old and helping the little kids at Twinklers GymPlay!) We always strive to make each student's experience the best. We want to help students reach their goals. We want our students to learn new skills, have fun, improve fitness and use this awesome sport to also develop life lessons along the way.

Our staff is definitely the heart of the gym! So please get to know them. The office staff wants to always make sure they have efficiently accommodated your needs. The ladies you will meet in the office are Phyllis, Naomi, Toni, Jan, and Debbie. Getting your birthday parties planned here at RSG are Amy and Becca. Helping with just about everything is also Suzanne.

Our program directors have all done a phenomenal job developing and updating their curriculum and lesson plans. They are each dedicated to their programs and want their classes to always be at their best. They are caring, talented, and committed to our mission statement: to help kids build both character and physical abilities through excellent gymnastics instruction in a safe and fun environment. We value the individual, applaud the effort, and encourage the dream!

Here are some helpful email addresses if you have specific questions, concerns, needs, or compliments:
